Self-Assessment Questionnaire

The self-assessment questionnaires below deals with the key decisions a successful student needs to address. Following self-assessment questionnaire, your scores will help us identify which area we need to focus on.

Read the 14 statements and score each one according to how true or false you believe it is about you. To get an accurate picture of yourself, consider what is currently true about you (not what you want to be true).

This self-assessment is not a test. There are no rights or wrong answers. The questions simply give you an opportunity to create an accurate and current self-portrait. Be absolutely honest and have fun with this activity for it is the first step on an exciting journey to a richer, more personally fulfilling life!
